This matter is before the Public Service Commission of South Carolina (the Commission) on Cherokee County Cogeneration and Duke Power Company's (the Applicants') request for an extension of time in which to prefile their direct testimony and exhibits. Order No. 94-1164, dated November 9, 1994, required the Applicants to prefile their direct testimony and exhibits by November 23, 1994, and the Commission Staff and/or Intervenors to file their direct testimony and exhibits by December 8, 1994. The Applicants assert they received Order No. 94-1164 on November 15, 1994. The Applicants further assert they have conferred with the only Intervenor in this proceeding and the Commission Staff and believe neither oppose a modification of the prefiling deadlines.

Based upon the Applicants' representations, the Commission modifies the prefiling dates as follows: the direct testimony and exhibits of the Applicants shall be filed on or before December 5, 1994, and the direct testimony and exhibits of the Intervenor and Commission Staff shall be filed on or before December 16, 1994.
